SCENIC GROUP CELEBRATES FIVE YEARS OF INNOVATION, DISCOVERY AND ULTRA-LUXURY CRUISING WITH *SCENIC ECLIPSE*, THE WORLD'S FIRST DISCOVERY YACHT

Hollywood, FL (September 10, 2024) – September 2024 marks a milestone moment for Scenic Group as it celebrates the fifth anniversary of *Scenic Eclipse*, the pioneering ultra-luxury, Discovery Yacht™. Since its debut in 2019, *Scenic Eclipse* has redefined small-ship expedition cruising, offering guests world-class itineraries in some of the most pristine and unique environments on Earth. From the icy landscapes of Antarctica to the Mediterranean's sun-soaked coasts, *Scenic Eclipse* delivers an unparalleled level of service, always placing the guest experience at the heart of everything.

The celebrations coincide with the christening of *Scenic Eclipse* by Dame Helen Mirren on September 10, 2019, in New York City. One month earlier, in August 2019, *Scenic Eclipse* set sail from Reykjavik, embarking on its first official voyage as one of the most innovative and luxurious ships of its time. Offering a truly all-inclusive, six-star experience, *Scenic Eclipse* combines cutting-edge technology and world-class design to ensure seamless navigation around the world's most remote locations that few will ever visit. On board, guests can make the most of the sophisticated spaces designed for unwinding, including the indulgent 5,920 sqft Senses Spa, dedicated gym, Pilates and yoga studio before enjoying unparalleled culinary flavors at one of up to 10 on board dining experiences.

The launch of *Scenic Eclipse II* in March 2023 further elevated the standard of ultra-luxury cruising, with enhancements including an expanded Senses Spa, a reimagined Sky Deck with private cabanas, a Sky Bar, and a Vitality pool. Scenic has also expanded its portfolio with new destinations in the Oceania region and sister brand Emerald Cruises' launch of *Emerald Azzurra* and *Emerald Sakara*, with work underway on *Emerald Kaia*, scheduled to set sail in April 2026.

"Since the debut of *Scenic Eclipse* in 2019, we have set the benchmark in ultra-luxury ocean cruising. Our teams at MKM Yachts and dedicated crew take great pride in the continuous innovation and unrivaled experiences we've delivered over the past five years," said **Glen Moroney**, Founder and Chairman of Scenic Group. "We are committed to establishing luxury yachts as a major growth category in ocean cruising, which extends to our expansion with Emerald Cruises and the upcoming *Emerald Kaia*."
