Scenic Announces Save & Sail Winter Sales Event – Offering Savings on European and SE Asia River Cruises and Scenic Eclipse Ocean Itineraries

Book between Feb. 14 and Feb. 25, 2022 to save up to \$1,000 per suite – combinable with other offers

Hollywood, FL, February 2022 – [Scenic](#) believes it is never too early (or too late) to plan for the next adventure. So, to celebrate the near end of Winter, and the return of Spring, Scenic has announced a new [Save & Sail Winter Sales Event](#). Guests can enjoy a new season of European and Southeast Asia river cruises or join the luxurious [Scenic Eclipse](#) as it explores the oceans' many hidden treasures and remote destinations – and save on their fares.

This flash sale, running between February 14 and 25, 2022, offers savings of up to \$1,000 per cabin on March - August 2022/2023 departures and up to \$500 per cabin on Sept. - Feb. 2022/2023 sailings. Savings offered are available on all European and Southeast Asia river cruises and all [Scenic Eclipse ocean sailings](#) excepting Mediterranean cruises. These offers are combinable with Scenic's pay-in-full savings that range up to 10% off river fares and 20% off ocean fares, and free or reduced rate economy, premium or business class airfare. These special offers are capacity controlled.

Scenic's [Space-Ships](#) take guests on many of the world's most iconic [rivers](#) – the Rhine, Danube, Seine, Douro and others in Europe and the Mekong and Irrawaddy Rivers in Southeast Asia. Using the luxury ships as floating hotels – having to unpack and pack only once – guests get to explore the fairy-tale villages, learn about the many cultures and histories, meet with locals as they show off their homes and countries, ride bikes along the vineyards – stopping for a taste or two, and immerse themselves in the local customs, sites and foods of multiple countries on the same itinerary.

For those guests choosing the ultimate luxury cruising experience on [Scenic Eclipse](#), a world of amazing sites and experiences await. Whether it is the polar regions of the Arctic, Antarctica and Northwest Passage or the warm waters of the Caribbean and Central and South America or the closer-to-home Adventures through the Inside Passage (Alaska) and West Coast of North America, the chefs and crew aboard the 228-guest yacht excel at making sure guests' expectations are exceeded. And the onboard Discovery Leaders, experts in multiple fields of study, spend their time educating and leading guests on excursions that often turn into lifetime memories...from kayaking among the icebergs of Antarctica, to exploring the ancient ruins of Europe to soaring above the landscapes in one of the yacht's state-of-the-art helicopters, to taking in the marine life far below the ocean's surface in [Scenic Neptune](#), a six-guest

submarine, capable of depths of 1,000 feet.
